Welcome and Introduction

Welcome to Westwood Village Condominium Association. Westwood Village, is a stand-alone condominium community located in Ravenna Township.

The Westwood Village Condominium Association consists of 66 single-family units. We also have entryways and open areas which are maintained by the Association for the benefit of our Owners. The streets are private and are also maintained by the Association.

As a neighborhood Westwood Village is governed by the Declarations and Bylaws and Amendments dated October 15, 2010 (Amended Declaration), which gives our neighborhood its own condominium association. We have an elected Board of Directors (Board) consisting of five members each serving a three year term. Each year the Board elects officers, following the annual meeting generally held in the last Quarter.

The Board has currently contracted with Grace Property Services of North Canton as our Management Company to handle the day-to-day operations of the Association. The Management Company's job includes; handling accounts receivable and payable, soliciting bids, general maintenance and repair and overseeing work performed on the Association's behalf. Communications are to be directed to the Management Company.

Their telephone number is (234)209-9140. The after hours emergency number is (833)960-4354.

The Board hopes you enjoy your home. The Board is committed to reasonably maintaining and enhancing Westwood Village so that it remains and becomes an even more desirable neighborhood in which to live. To accomplish this, the Board created this handbook to highlight certain Rules embodied in the Amended Declaration that specifically pertains to Westwood Village. All owners should familiarize themselves with the bylaws, amendments, and Community Guide.

An electronic version of this handbook, Declaration and Bylaws and amendment documents and other information about Westwood Village is also available on our website:

Channels of Communication

The Board of Directors is responsible for making the decisions affecting the Property. Decisions concerning the Property are made during the Board meetings. All Board meetings are open to unit owners. (Please call the Management Company for dates and times.)

In between Board meetings, the Association relies on the Management Company to carry out the Board's decisions and handle all communications by and between the Association's Owners, contractors and vendors. If you have questions or concerns about the maintenance of the Common Area, please direct the matter to the Management Company. If the matter is of a complex or difficult nature, please communicate in writing. In case of emergency, such as a fire, you should contact the fire/police departments.

The Board requests and appreciates your cooperation in respecting that Board members are not employees and should not be contacted on Association related matters outside of Board Meetings, unless directed to do so. Board members are not individually responsible for resolving Association matters and can only decide on issues brought to their attention by the Management Company. However, you may contact the Board directly concerning problems you may have with the Management Company.

Again, all communications must be directed through the Management Company to assure that your concerns and questions are properly addressed and answered.

III. Complaint/Enforcement Procedure
